

Your Community Needs ShareLife More than Ever

Sadly, we know that many members of our community are suffering greatly during the COVID-19 pandemic. Sickness, lockdowns and layoffs have led to more anxiety, despair, addiction and abuse around the world.

Luckily, you can help by supporting [ShareLife](#).

Every year, ShareLife funded agencies are there for people who have nowhere else to turn. Seniors, young parents, refugees, those fleeing domestic abuse and those with special needs all have better lives because of donations to ShareLife. If you are able, please give generously at your parish or on [the Archdiocese of Toronto's donation portal](#).

The demand for ShareLife supported agencies has never been greater than during this past year of pandemic. Your neighbours who rely on ShareLife need your support. To learn more about who ShareLife helps, [please click here](#).

Thank you for your donation to ShareLife!
